BEAUTIFY YOUR SPACE

Glazed tiles are known to be invented in ancient Mesopotamia around 3300 years ago. This art of creating durable and aesthetically pleasing flooring and wall cladding had been the domain of royalties since centuries, because of expensive production cost it was out of bonds of common folks. With industrialization, modern mass production process and wider availability the demand also rose and we witness the tiles as we see them today.

In the realm of differing choices and astounding technology inputs; introducing a tiles manufacturer with difference ROCAGRES. At ROCAGRES we have a sole purpose to provide the best quality tiles at most affordable prices.

The team ROCAGRES is consisting of people who had been part of the fledging tiles manufacturing industry and had played a part in the phenomenal rise of the Indian tiles manufacturing industry in general and Morbi Gujarat in Particular.

ROCAGRES has vast production facility covering Floor & Wall Tiles, Parking Tiles, Wood paneling Tiles of various sizes and inspiring designs.
